PROFESSIONAL SUMMARY

A Textile Engineer (BUTEX, CGPA 3.42/4.00) and Assistant Merchandiser in Central Costing at Snowtex Outerwear Limited, handling 120–150 cost sheets monthly for buyer Decathlon and Haddad and increasing costing efficiency by 30%+. Built automated BOM generation tool that cuts costing BOM preparation from 2–3 hours to seconds. Yarn Engineering specialist with spinning-mill experiences at Motin Spinning Mills (DBL Group).

PROFESSIONAL EXPERIENCE

Assistant Merchandiser – Central Costing
April 2026 – Present

Snowtex Outerwear Limited, Bangladesh

- Handle 120–150 cost sheets monthly for Decathlon, Haddad (outerwear, denim) and other development buyers from tech packs, samples and reference images.
- Improved costing efficiency by 30%+ through systematic analysis and tighter coordination with IE, CAD and Supply Chain.
- Benchmark market-competitive FOB pricing to narrow the gap to buyers target FOB.

Management Training Officer (MTO)
September 2025 – April 2026

Snowtex Outerwear Limited, Bangladesh

- Mastered the end-to-end costing workflow: tech pack analysis, sample evaluation, cross-functional team communication.
- Worked across IE, CAD and Supply Chain; confirmed as Assistant Merchandiser after the 6-month program.

Intern – Yarn Manufacturing
2024 (2 Months)

Motin Spinning Mills Ltd. (DBL Group), Bangladesh · Completed before final semester

- Trained in ring, vortex and rotor spinning; tested yarn quality (HVI, AFIS) and calculated blowroom efficiency.

PROJECTS

Project 1: Tri-Blended Yarn Research
Academic Thesis

Ring vs Vortex Spinning | Viscose, Recycled Cotton and Polyester

- Blended recycled cotton, modal and recycled polyester (30:40:30) into 20 Ne and 30 Ne ring- and vortex-spun yarns.
- Vortex yarns led on evenness and imperfections; ring yarns led on strength (tested with HVI and AFIS).

Project 2: Automated Costing BOM generation
Independent Project

Tech Pack → Buyer-Specific Excel | haddad-bom.vercel.app (password-protected)

- Cuts costing BOM preparation from 2–3 hours to seconds: upload a tech pack, click once, get a buyer-specific Excel BOM.
- Supports five buyers (Haddad, Decathlon, Malacca, Portwest, Kariban); built in JavaScript with AI assistance, deployed on Vercel.
