CAREER OBJECTIVE

A youthful, motivated graduate of Textile Engineering from BUTEX, specializing in Yarn Engineering, seeking to establish a prosperous career in textile merchandising. I aim to implement my theoretical knowledge and practical experience to support efficient production planning, cost control, and global buyer relations in a growth-oriented apparel organization and contribute to the overall growth of the organization.

PROFESSIONAL SUMMARY

Recent Textile Engineering graduate (CGPA 3.42) with practical experience in central costing and inter department (IE, CAD, Supply Chain) coordination at Snowtex Outerwear Limited. Experienced with costing inquiries of international buyers specifically Decathlon, Haddad, Jack & Jones, and Malacca. Consistently prepared 120-150 cost sheets per month for 4-5 buyers while driving a 30%+ improvement in costing process efficiency. Academic background includes knowledge about textile manufacturing, research yarn manufacturing and a two-month long internship at Motin Spinning Mills (DBL Group).
